

NPWR GRANT PROGRAM FY 2026

Jake Miller - NPWR Manager
Nevada Department of Employment, Training, and Rehabilitation
j-miller@detr.nv.gov

FEDERAL FUNDING

[Workforce Innovation and Opportunity Act | U.S. Department of Labor](#)

Workforce Innovation and Opportunity Act (WIOA) funds allocated to Nevada. WIOA is designed to help job seekers access employment, education, training, and support services to succeed in the labor market and to match employers with the skilled workers they need to compete in the global economy.

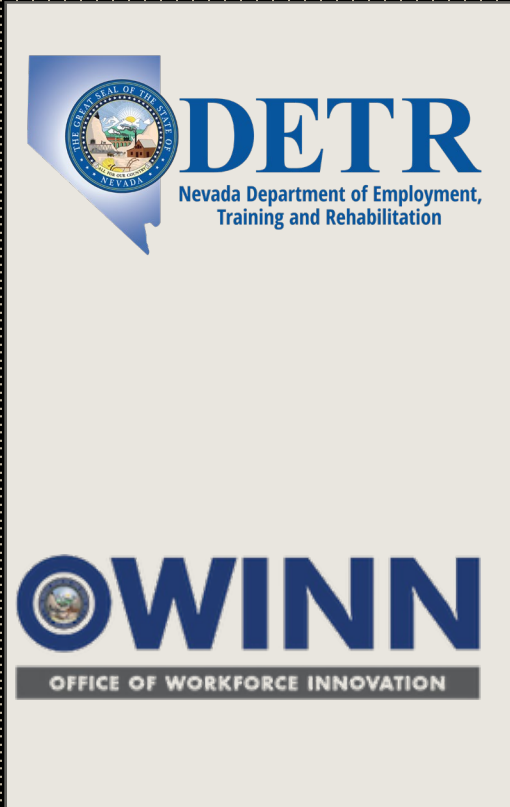

Formula Grant - FAIN: 24A55AW0000096

ALN: 17.258 – Adult Data Research

ALN: 17.259 – Youth Data Research

ALN: 17.278 – Dislocated Worker Data Research

STATE GUIDELINES

OWINN

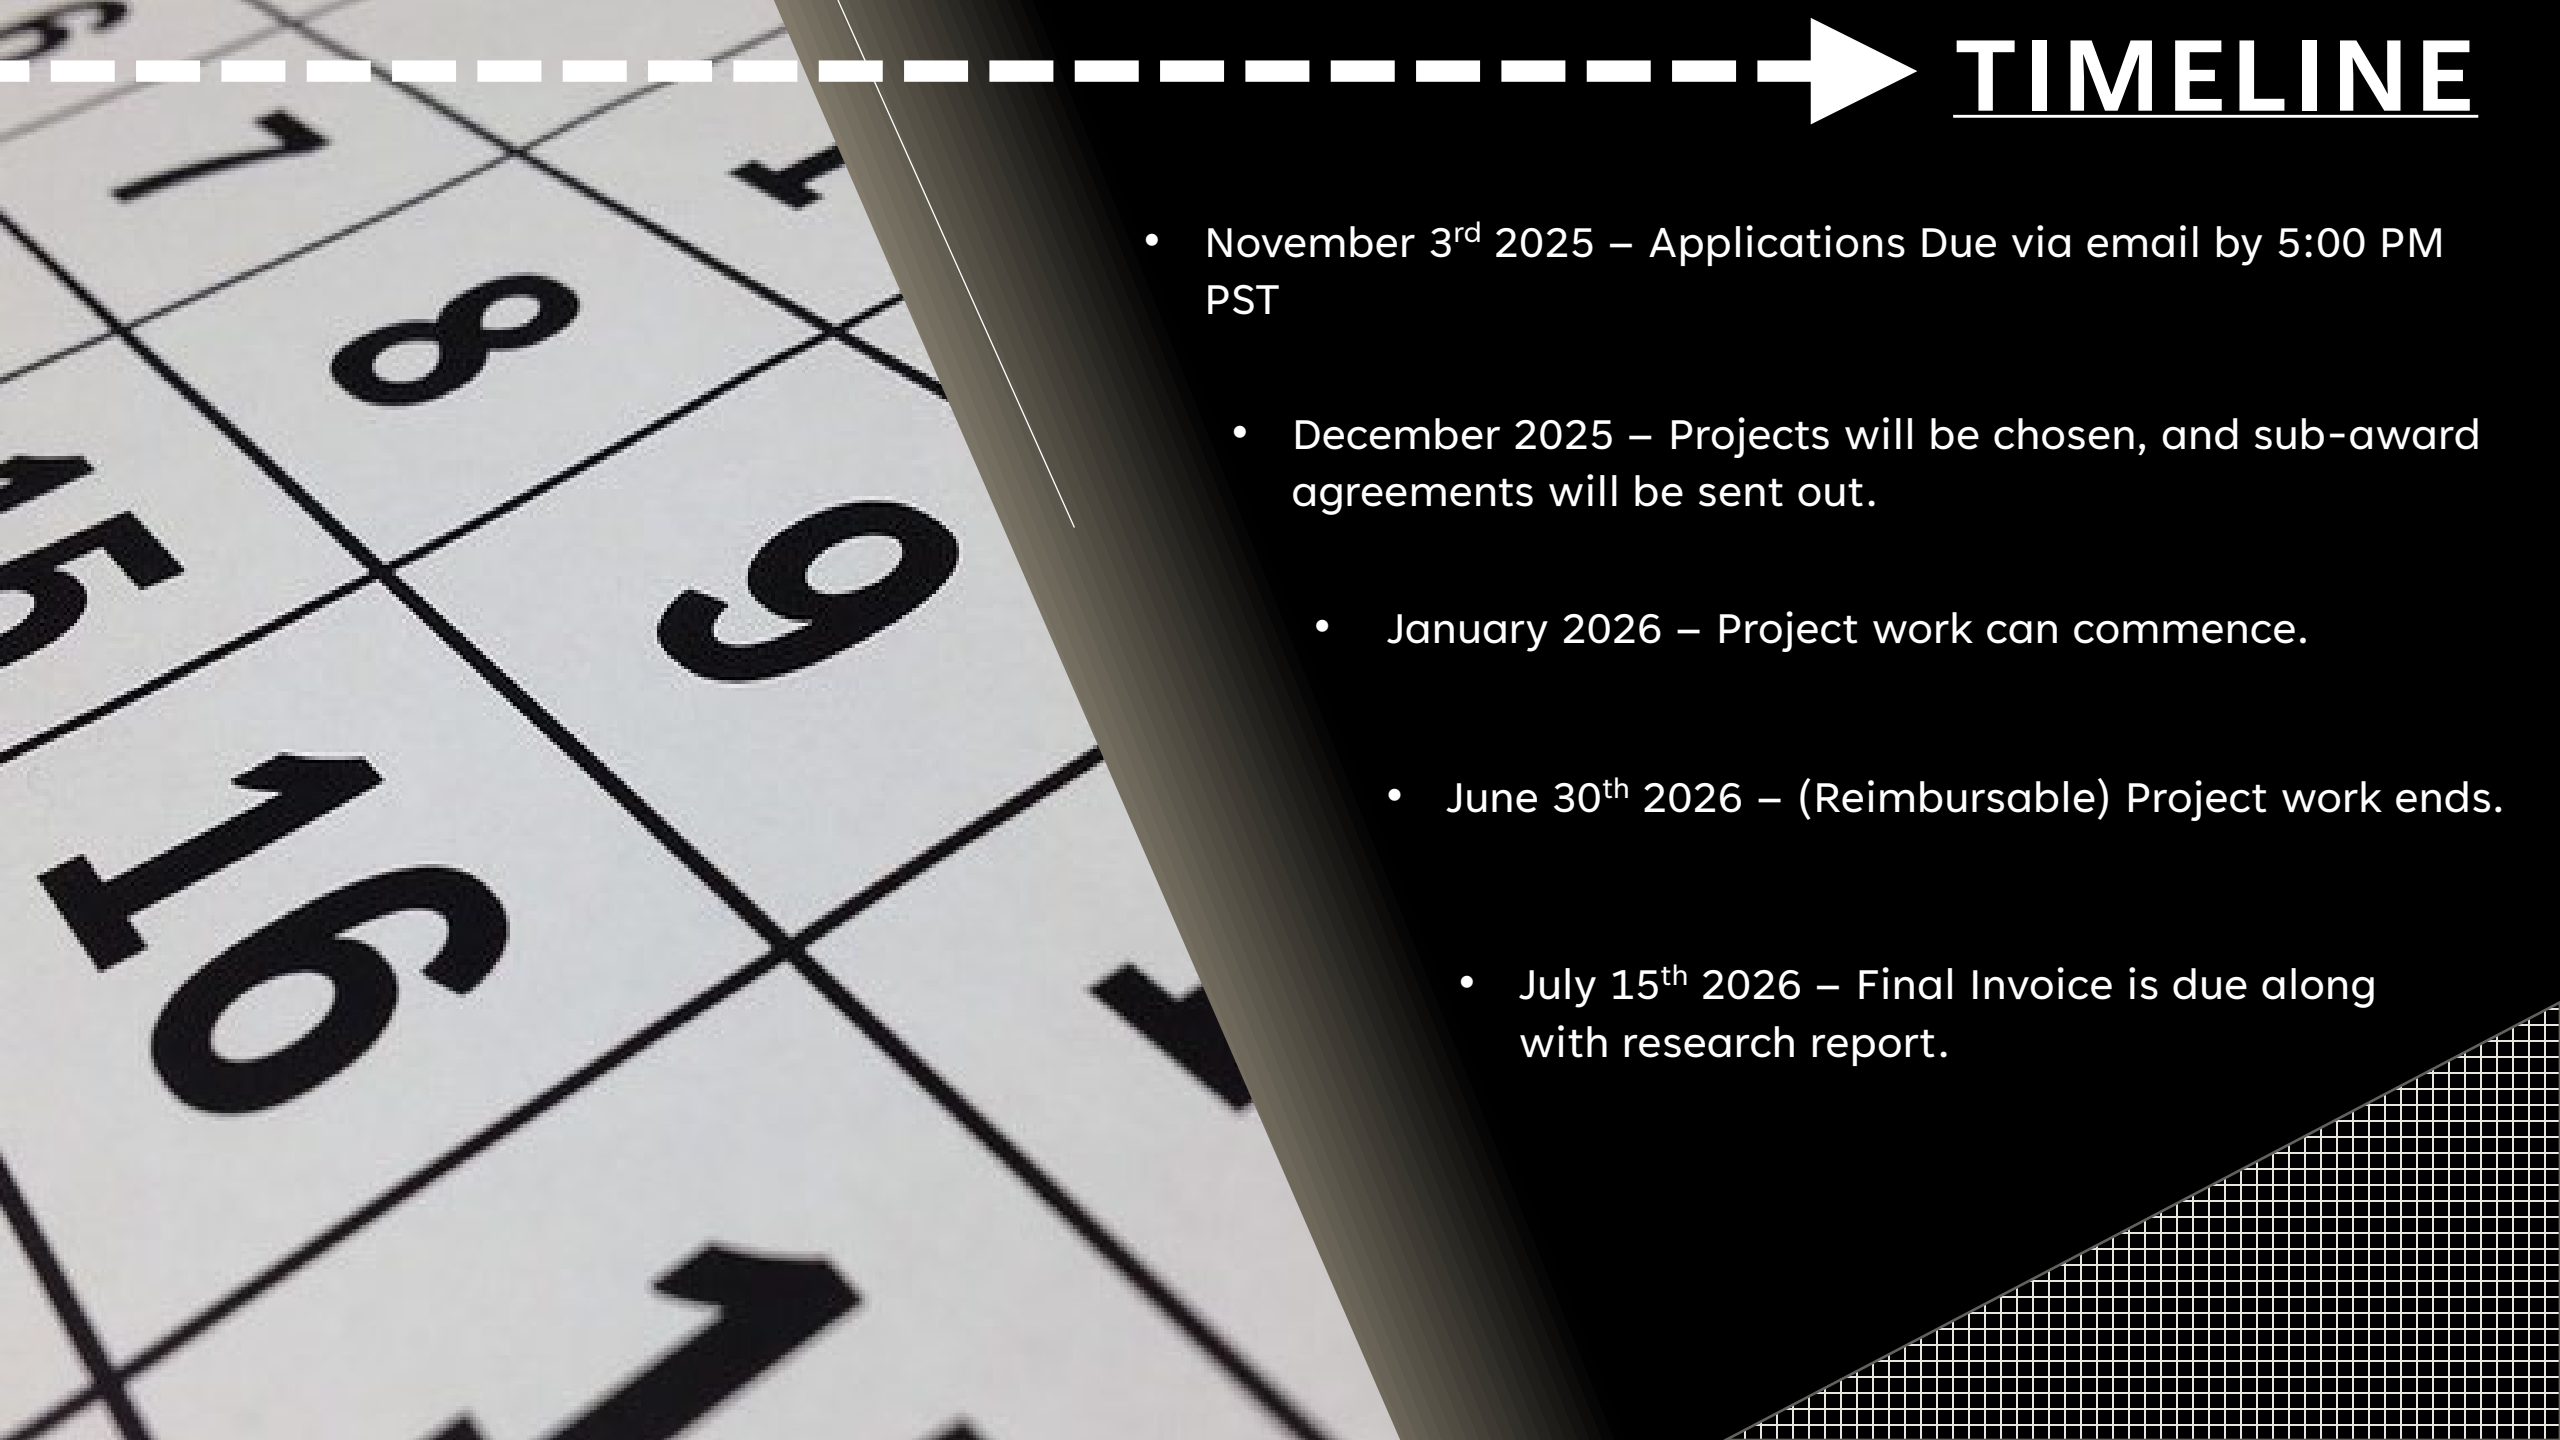

The Nevada Office of Workforce Innovation (OWINN) under the administrative umbrella of DETR administers NPWR and its grant program.

Grantees will submit monthly reimbursement requests with the official form and include any applicable backup documentation. Reimbursement requests must be submitted by the 15th of the following month (ie January's expenses must be submitted by Feb. 15th)

Projects can have a maximum total amount of \$50,000 for a project with multiple researchers and/or students; up to \$4,000 for an individual professional with no students; up to \$3,000 for an individual student at the Master/PhD level.

The last month of reimbursement (June 2026) must be submitted by July 15th and must include the final report of the research.

All grantees and other vendors must register as a vendor with State Controller [Vendor services](#) AND [NEVADAePro](#) in order to receive reimbursement payments.

TIMELINE

- November 3rd 2025 – Applications Due via email by 5:00 PM PST
- December 2025 – Projects will be chosen, and sub-award agreements will be sent out.
- January 2026 – Project work can commence.
- June 30th 2026 – (Reimbursable) Project work ends.
- July 15th 2026 – Final Invoice is due along with research report.

RESEARCH GOALS AND PRIORITIES

We are interested in research with the following characteristics:

- Provides insight into the trends and forces that are shaping policy issues such as diversifying Nevada's workforce, increasing the talent pipeline, and improving educational outcomes for Nevada's students.
- Explores less trodden vectors of research, either with data sets that haven't been explored as thoroughly such as Adult Education or Workforce Development Programs, or new ways of looking at more popular data sets.
- Meta-research that examines the usefulness and efficacy of NPWR itself.
- Research that requires some unique aspect of NPWR to complete.
- Evaluation of the successes or failures of current programs and policies.
- Policy recommendations that would lead to better outcomes for Nevada's workforce development and education.

Past Research

NPWR USE

Steps to Request Data

(New Users) New Account is Created

(All Users) New Project is Created

DAUP is signed

NDA(s) signed and uploaded

Data is Selected

DAUP is Approved

Data Request(s) Created

Data Packet(s) Submitted

Project
Portal

The logo for the Project Portal is centered within a dark rectangular box. The text "Project" and "Portal" are written in a bold, blue, sans-serif font, with each word underlined. This central box is surrounded by a complex, abstract pattern of thin, white, overlapping geometric lines that create a sense of depth and movement. The entire graphic is set against a dark background with a subtle grid pattern on the left side.

NPWR DATA AND THE DATA DICTIONARY

DETR

Workforce Development programs, Career Services, Dislocated Worker Grant Program, employee wage records, information on H1B participants, information on the services and/or elements in the youth program

NSHE

Academic careers, degree completions, enrollment, student demographics

NDE

CTE participation, graduation rates, assessment scores and participation, Early Childhood statistics, and student demographics

ADULT ED

Student Outcomes and demographics
